Introduction

It seems that a few words are necessary to explain the purpose of this work. For some time different descendants of Jesse Carpenter suggested a get-together of the family. Although all approved of the plan, no one took any action until the summer of 1925 when the families of Don and Carl Carpenter of Barton, Lee Carpenter of Johnson, and Oscar Carpenter of Fletcher met at Lake Eden for a picnic and made themselves a committee on arrangements. They planned a meeting for August 1, 1925, in the Community House in Fletcher and sent invitations to all branches of the family.

An enthusiastic gathering of one hundred and eleven persons met that day in Fletcher; a permanent organization was formed, and it was unanimously voted to make the event an annual affair, meeting the first Saturday in August in the Fletcher Community House. Of the association formed, John C. Carpenter of Irasburg was elected president; Mrs. Lee Carpenter of Johnson, vice-president; and Mrs. Oscar Carpenter of Fletcher, secretary and treasurer.

At that meeting the matter of gathering the statistics of the family was brought up but no action was taken. At the second meeting the matter was again brought up by the president who was very anxious to have something done and it was left in the hands of a statistician and assistant. The plans began by the statistician and president were interrupted by the untimely death of the president in April, 1927. Thus nothing had been done at the time of the third reunion in 1927.

At that time Leslie Carpenter of Chatham, N. J., was elected president; Carl Carpenter of Barton, vice-president; Mrs. Oscar Carpenter of Fletcher, secretary and treasurer; Doris Carpenter of Morrisville, statistician; and Mrs. A. H. George of St. Albans, assistant statistician. A determined effort was then made to gather the necessary data, and, due to the excellent cooperation of different individuals, the work has been made ready for publication.

The writer is indebted to the Carpenter Genealogy for much valuable assistance in matters of form and arrangement and some

of the data regarding our early forbears. This work begins with the founder of our branch of the family, Jesse Carpenter, who is called number 1 of generation 1. Through him the ancestry of any individual member of the family recorded in this work may be traced to the earliest known ancestor.

The following fragmentary account of Jesse Carpenter has been obtained from various sources:

Jesse Carpenter was born in Norton, Mass., October 22, 1792. He moved with his parents to Croydon, N. H., in 1802, where he married Elizabeth Chase, daughter of James Chase of Croydon, March 21, 1815. After the birth of four of their children, they moved by ox sled to Fletcher, Vt., in February, 1823. In Fletcher he cleared some land and built a log cabin on the farm now owned by Joseph S. Leach. This farm was in the possession of him and his sons until it was sold to J. B. Leach in 1866. Jesse Carpenter was one of the earliest settlers and founders of the town of Fletcher and was prominent in town affairs. He died in Fletcher, August 21, 1867, and his wife died in Fletcher in 1870. He left a family of six sons and four daughters with whose descendants this work is concerned.

Jesse Carpenter is number 3246 in the Carpenter Genealogy, son of William 594, William 167, Obadiah 40, William 18.

Since the first edition of this work was published in 1929, a whole new generation has taken its place in the world's affairs and World War II has been brought to a successful conclusion. It is an honor and a pleasure to salute those who served in this conflict in this, the second edition of our history.

TRIBUTE

Brave boys like you
Held the fate of the nation in your hands,
When advancing toward the front
To perils of war in foreign lands.

To fight for our country
Is a great sacrifice for you to give,
That the generations of tomorrow
In freedom and peace may live.

We are proud of your patriotic spirit,
We are thankful for all you gave
To protect America, our homeland,
Its liberty and justice to save.
